“ Anthlie was a first cousin to my father, Lee "Boulet" Martin (Carmen's son). We remember the Hebert family reunions on the first Sunday of June. We appreciate that she would assist in the organizing of those gatherings. She was a welcoming, caring person with a beautiful smile. Our prayers during this time of loss to all her family.

“ Mrs. Sonnier was my 4th grade teacher. Her voice was so distinctive. You knew her even before she was your teacher! I will never forget the first time I went to Mass in Mire after my family moved there. My daughter was an infant, and I was looking down at her until I heard the lector. I looked at my husband and told him that I recognized that voice. My eyes teared up when I saw Mrs. Sonnier, reading to me like she did when I was in 4th grade. She retired the year she was my teacher, and I never thought I'd see her again. She made such an impact in my life, and I'm so thankful for her to this day. May God's perpetual light shine upon her.

“ Mrs. Sonnier was my 4th grade teacher at CCS and my moms coworker so I knew her well. I learned many things from her. I remember tracing maps and that you did not want your name on that board !! Most importantly she taught me about Faith and dedication to our Catholic traditions . She picked me up before the sun was up for First Friday Masses for years . She taught our entire class that when bad or good things happen you pray a rosary. Life lessons that are so needed today and always. May she Rest in Peace.

“ My condolences to all the family. Glenn, Barbara, Sharon, Wally and Trey and Mr. Red I extend my deepest sympathy you'll have lost a jewel. Ms. Sonnier was a hoot, I can remember some of my best memories was when she came visit Sharon at RCE. She always stopped by my office to chat and drop off some goodies. She educated many people whether it was about God or teaching a subject. The one important thing we can say about Anthlie is she lived her life to the fullest. May you all find comfort in her memories and may she Rest In Peace.

“ I loved Ms Anthlie dearly. Sharon and I were introduced by her on Holy Thursday 63 years ago today. I began 5th grade at South Rayne Elementary in January, 1957, and was in Mrs Bobbie Gossen's class. Although Mrs Sonnier, was a fourth grade teacher at the time, she and I became acquainted at lunch recesses. She told me, from our first encounter, that she had a daughter my age who went to Rayne High and she wanted us to be friends. Just before Easter, she called my mom to see if I could ride back to her house on Holy Thursday since school dismissed at noon. I did and she was right. Sharon and I hit it off and became friends. That visit was the first of many spent at the Sonnier house. God Bless you Ms. Anthlie for taking an interest in me all those years ago. How lucky are the saints in heaven now that you have joined them in your new heavenly home!

“ I'm saddened by the loss of my very dear friend and cousin. I have so many good memories of times spent with her and own some of her most lovely crochet items. On my yearly visits to La. I was always invited to share a meal with her and what she would tell me a few friends. The few friends would number anywhere from 30 to 40 people. After enjoying her delicious meals we would exchange stories, so much fun. She had so much energy, did so much good in her life. To sum it up, she was a wonderful lady, like no one I have ever known. May she RIP. I extend my deepest sympathy to all her family.
