“ Our thoughts and prayers are with all of you at this very difficult time. When I heard that your mother had passed away, it brought back memories of the impact that she had on me as a young girl. She was like a second mom. Her humor, concern for others, and the love that she demonstrated for her family and friends endeared her to all who knew her. We are praying that your grief is softened by the wonderful memories you have of her life. Janet & Lenox
