“ So sad to know that Miss Bee is gone. We loved having her come to our gigs with Mr. Henry when he would sit in with us at Prejean’s on the steel guitar, which he did almost once per month for many years. They would come early and have a nice meal before Henry had to go do his thing on the bandstand! Miss Bee was always pleasant and kind and supportive, she loved listening to the music, and we always enjoyed seeing her. We will miss her.
