“ I have so much love and respect for beautiful Ms. Ruth. She truly was one of my favorite patients. As I visited with her for several years I always made sure I allowed enough time so we could sit and talk about family. She would genuinely want to know everything that was going in my girls' lives, and she shared stories and pictures of her children, grandchildren and great grandchildren. She loved her family dearly. She also would NEVER let me leave without a snack for my girls when I would pick them up from school later.

I can only imagine how magnificent Ms. Ruth's homecoming was and hope that my sweet daughter was among those who greeted her as she entered Heaven.

She will be missed dearly but I know she will always remain in my heart and in the hearts of those she loves.

Ms. Becky you and all Ms. Ruth's family will be in my prayers.

“ *Jackie, Charlie, & Becky, so sorry for the loss of your mother, She was a lovely lady. Jackie, I remember spending the night at your house while we were in school and the one thing I will always remember was your mom's grilled cheese sandwiches for breakfast, before we headed to school. Those were the BEST I have ever eaten. My prayers are with all of you during this time. Rest in peace, Mr. Ruth*
