“ My sincere condolences to the Bergeron family and friends. All things written in the Scriptures were written for our instruction, that we might have hope. (Romans 15:4). May the promise of a resurrection strengthen your hope, ass well as comfort and sustain you through the days ahead. Draw close to God in prayer, and He will draw close to you. Please read John 5:28-29. I find it to be very comforting and I am sure you will also.
