Lt. Credeur began his career in law enforcement as a reserve officer with the Rayne Police Department in December 2003 and went full-time in 2005. Over the past two decades, he became a pillar of this agency and of the City of Rayne. In 2014, he took on the role of D.A.R.E. officer, dedicating himself to educating and mentoring the youth of our community. He also spent countless hours over the years volunteering with local youth athletics-coaching, mentoring, and leading by example both on and off duty. Noochie's love for fishing, crabbing, and just being on the water. He was a truck driver, an equipment operator, he had a love for farming. He loved Sundays and cooking for his family, and he was known for his stories. He never met a stranger; he had a smile and a laugh like no one else.

Noochie was more than an officer; he was a brother, a friend, and a role model. He served with pride, humility, and an unmatched sense of duty. He had a special way of connecting with people-especially young people-and was truly invested in making Rayne a safer, stronger place to live.

Noochie's legacy of service, compassion, and leadership will never be forgotten. He gave this city everything he had-and we are forever grateful.

Survivors include his fiancé of 28 years, Danielle Demette, one sister, Monica Credeur, one brother, Joseph "Wa" Credeur, one half-sister, Beatrice Sonnier, one nephew, Hunter Fontenot, one godchild, Gavin LaBauve, and other numerous nieces and nephews.

He was preceded in death by parents, Allen Joseph Credeur, Sr. and Marilyn Faye Dogua Credeur, one brother, Chris Credeur, one sister, Robin LaBauve.

Pallbearers will be Joseph "Wa" Credeur, Gavin LaBauve, Terry Grandney, John Dogua, Jake Venable, Rodney Stansberry, Kirk Hickey. Honorary pallbearer will be Hunter Fontenot.

The family requests that visitation be observed at the Rayne Civic Center in Rayne, LA on Monday, May 12, 2025 from 9:00 am to 2:00 pm.

The family asks for no flowers be sent. They would like you to make a donation to the Rayne Police Department D.A.R.E. Program, P.O. Box 69, Rayne, LA, that was very close to Noochie's heart.

“May he serve with such honor, integrity and sensitivity that one day when he stands before You, he will hear You say, “Well done, good and faithful servant.”

When you serve God, He will bless you for it, and there is no earthly greatness that compares to God’s favor. Serving others shows that you have a sense of honor and respect for others; people like that can be trusted with great missions.

True greatness isn’t measured by how well you did something, but by how many people were better off because you were around. Being remembered for an endeavor that benefits no one but yourself is nothing compared to the greatness of a completely ordinary person who made every person they met happier by smiling at and talking to them.

Serving others is the best way to learn how best to perform any task or big project, which is perfect training for becoming a leader; all the best and greatest leaders in the Bible and in history have been servants at heart, thinking of how to help and guide the people they led rather than bossing them about.

Service means sacrifice: giving up your whole life for God and others rather than yourself, and God promises a crown of glory and eternal life to those who are willing to sacrifice their lives in this world.

Mathew 25:23

“The master said, ‘Well done, my good and faithful servant. You have been faithful in handling this small amount, so now I will give you many more responsibilities. Let’s celebrate together!’

Your spiritual gift of service will blossom from deep within the hearts of loving children to whom you shared the most important gift you had to offer of yourself, your heart and your time.

Thank you for being you.

“ *Rest in Peace, Noochie*

I never thought I would see this day—my heart is truly heavy. You and I butted heads a few times, but it was always clear that you came from a place of care, concern, and an unshakable commitment to making things better for the kids in our community.

You were always ready to help, no matter the time or situation. Even after I moved away, you still checked in—always asking about "those bad kids," as you'd say with that familiar smile.

You gave so much of yourself to others, and your sacrifices did not go unnoticed. Thank you for everything you did, for everyone you helped, and for the legacy of love and service you leave behind.

You will be deeply missed but never forgotten. 10-7, my friend. You're in good company up there among the greats.
