“ *“Nanny Ann” was my godmother and I could not have asked for anyone better for that role in my life. I loved her dearly - loved how she loved to talk, could laugh at herself, tell funny stories, call when she missed me, and always remember to think of me for holidays and birthdays. I love you Nanny Ann and miss you already!*

“ *I know if there was a phone in heaven I would be getting a phone call because you never missed a day. I will miss those phone calls and I enjoyed it. We checked on each other constantly and it will be missed. I know you're in a better place, that's making me feel better knowing no more pain , Love you, Carol💔*
