“ I only met Ms. Annette, 2_ 3 years ago, when I started working at St. Agnes healthcare facility. Ms. Annette would worry about all residents & I must admit, and all employees. She was a great person. I will truly miss seeing her at St Francis church on weekdays at 7:00 mass.. and at St Bernard on Sundays at 5:00 mass. She mostly sat next to me at St Bernard. May she(Ms. Annette) rest in heaven. With deepest & sincere sympathy. May God bless the entire family. ❤️ ❤️ ❤️ ,DEIDRA HYPOLITE. & RITA H. DEMOUCHET.

“ My dear sweet friend I miss you deeply and I shall miss our adventures we shared. You were ALWAYS FILLED with the spirit of GOD as you shared your love of God, your love of people and your love, of your family. I always I looked forward to the, pictures you sent to me of your precious grand babies . I am missing our conversations and your sharing of your strong faith in God. I am finding it, hard to be, without you my sweet friend your, words of wisdom, faith and encouragement always kept me going and, reminded me that giving love to others was, more important than receiving it. You fought the, battle without complaint, you took care of God's family, that He, put you, in charge of and you accepted the, battles without giving up. In my eyes I saw you as, a, saint and a gift from God to all that knew you. Letting go of you is so difficult and I know the, pain your, family is, feeling words alone, can not, comfort them but, memories and, the love, of, God will see them through the, journey For, you, my, dear friend in all your, humbleness and, love GOD has given you a, very special place in Heaven and you earned your wings of the angels now, fly, free and at peace in the, grace and Love, of God. I LOVE YOU AND I MISS YOU SO VERY MUCH BUT, YOU, BELONG IN HEAVEN AND, I, KNOW, YOUR WORK IS, NOT DONE FOR, YOU ARE, THE, GUARDIAN ANGEL TO ALL OF US. REST IN GOD'S GLORY. I LOVE YOU MY FRIEND I SHALL NEVER FORGET YOU AND, ALL YOU HAVE, DONE TO HELP GUID ME, IN MY, LIFE.

“ Annette was a fierce advocate for her patients, and always put patient care first. The only times I ever knew her to be upset was if an insurance company was preventing her from receiving what she needed for her patient. I will treasure the conversations we had over the years about spirituality and overcoming obstacles. Her faith in God was strong and unwavering, and I'm so glad I had a chance to have those conversations with her. I will miss her cheerful greeting when I called her, "Well, hi there, young lady!, with a smile that you could feel over the phone. I know she is experiencing the glory of heaven, wrapped up in her Savior's arms, where she will be cared for forever, the way she devoted her life to caring for others. I will miss her.
