“ One of the coolest things Annette did for me was in high school. We had to kneel to check skirt lengths and ours were too short. We had to fix it before we could return to classes. Annette drove me home and returned to pick me up. In my rush hemming my skirt on the bed when she blew the horn I grabbed my skirt and ran. But it was attached to the bedspread.

Rest in peace and fly high on angels' wings. 🦋

“ I am so sorry to hear about Annette. I saw her 7 weeks ago at the Crowley hospital. We chatted and cut up in the Chemo room. The nurses were entertained with stories from St. Ed's and the Eunice Players Theatre. She made my 1st chemo experience special and lots of fun. I was very nervous about everything until Annette got there. I'll always cherish how she distracted me and made sure I was okay. All my prayers and Love to Anne, Aileen and Andrea ❤️

“ Dear Anne, Andrea and Aileen,

My prayers are with you and your family at this time. Annette faced her final battle courageously and with undaunted faith; she must be singing with the choir of saints and angels alongside your mom and dad now. I'm unable to be with you for her services but will remember her at Mass Saturday. May she rest in peace.

*Sincerely,
Fr. Mitchell Guidry*
