“ *My mom was one of a kind! She never met a stranger. I will never forget the fun times my husband and I had when my mom lived with us. We loved tickling her with feathers as she sat up and slept. you will be missed.*

“ *The funniest memory with Barb.. One morning Barb came over coffee, while sitting at my Kitchen table Barbara fell asleep.. My youngest came running into the dining room singing through a Christmas wrapping paper tube.. He must have been upset Barb wasn't watching so he knocked her head with the tube.. Barb being startled awake started to yell at him.. As she opened her mouth her dentures started to fall out.. We both laughed so hard we cried! I'm going to Miss you ReRe! 💕*

“ *Barbra was a wonderful person so full of life, laughs and love. she could light up a room with her laughter. I truly don't know if she has ever met a stranger. There are a lot of wonderful memories I have of her not only as a child but now as an adult. Such a kind heart. R.I.P Barb you are loved and will be missed. Fly high with the angels!!!*

“ *When Barbara was staying at AMG I used to go stay with her to keep her company. To keep us entertained I taught Barb how to make paper stars. She was so excited to learn how to do a craft. She really enjoyed making them. We made so many we didn't know what to do with them. She sold a lot but mostly she would give them to the people around her to show her appreciation for taking good care of her. If you are friends with Barbara I am sure you heard about her stars! I have some hanging in my room now and I think of her every time I see them! She loved her stars! Love ❤️ you Barb!*

“ I honestly just lived Barb, she was one of the funniest people I know!!! Especially when she and her sister Charlie got together, and now they are back together...and I can almost guarantee they're laughing and joking around again, but with no pain and no worries! My prayers are with all of Barbs family especially her children, may God give you peace and comfort during such a sad time.
