“ I want to offer my deepest sympathy for y’all’s loss. I’ve been knowing Benny for most of my life. Benny worked at Haure Machine Shop for many years and I would visit my dad at the shop almost daily. I would watch Benny working at the lathe machine and he always had a smile on his face. I will miss his smile and his special laugh that he had. Benny laughter was so infectious that he left you laughing too. God speed Benny you will be truly missed.
