“ David, my deepest condolences to you and your family. If there is anything I can do, please don't hesitate to ask. I didn't know your mom but I do know she was a great woman to raise a fine son like you. I'm sure she's looking down smiling and proud of you. I wrote this for my brother when he passed 11 years ago. I hope you can find some comfort in reading it. Again, so sorry for your loss. I love you like a brother D, God Bless

*hey little brother
are U hiding out from me
like U did when we were kids
ollie ollie oxen free
childhood games don't last
& winter never stays
in the seasons of my heart
U are the summer days....*

*we never lose a loved one
we never lose a friend
so sleep in peace my brother
suddenly U live again
i'll smile at strangers
like i'd know U want me 2
& they smile back just like U*

*& when i reach out
2 help someone
it's your hand that i feel in mine
i'll hear your laughter in the air
& see your goodness everywhere*

*we never lose a loved one
we never lose a friend
so sleep in peace my brother*

*suddenly U live again
U gave us so much
U had so much to give
& love like yours
will always live.....*

“ *I was shocked and so sorry to see that Ms. Betty had passed away. This lady was a wonderful example to follow. She was one special lady in my eyes. She was the Rock of Gibraltar, and always had a smile on her face when you met up with her. To you Nancy, Liz, David, and Sara and the rest of the Bush family I extend my deepest condolences and prayers. Heaven has gained a jewel.*
