“ Ms Betty was such a wonderful woman. I met her over 30 years ago when I taught her daughter. Ms Betty attended every parent conference and event her girls were involved in. She was not only concerned, but encouraging to me as a single mother raising all girls. Ms Betty, you can rest knowing that your work here is done. You've raised wonderful girls, who love and cherish you. I'm blessed that our paths crossed and although your work here is done, I know that I'll see you again someday. Take your rest.
