“ Betty was such a wonderful soul. She would buy toys to help the people who struggled to buy gifts for their children. Any profit she made she bought things for people in the nursing homes. She would also get eggs from us and pass out too the older people in Rayne. She was such a good soul I know she will be met by God as she makes her way to a peaceful everlasting peace You will be so missed tell our love ones we miss them. She also faces eggs too the way a program to help our community fighting drugs making their way back into society. I can't say enough about her she was an Angel from heaven.

“ Betty took it upon herself to keep me and several others informed of illnesses and deaths of members of Rayne High school Class of 1959, as well as invites to social gatherings. She was much appreciated and will be missed.

“ My friend that has passed away always had a good word for everyone and wanted you to join in whatever we were all into she would be sadly missed by the rice City seniors as well as the ones in Rayne Louisiana that she would go to on Wednesdays. And of course all the things that she would try to sell or give to those that she liked and I was one of them I've got several things that she was able to get from Estates that she would go to. She loved to say things for me for doing crafts as well. Rest in peace my friend

Betty was my first cousin. I have fond memories of her & the family especially from the 1950s when everyone was still living. Betty had a great sense of humor and would always make me laugh. She went through a lot during her life they could make a movie about it. Rest in Peace Cousin Betty!
