“ *God as you already know, my dad has probably called half of heaven ol buddy by now. He is a one of a kind. He had a kind heart. He never met a stranger. He LOVED listening to Steve Riley and the Mamou Playboys. He could really dance. He loves his family and friends. He loves to cook. Probably trying to cook everybody something right now. Lol. The biggest love is the love that everyone else has for him. I love you Daddy and though my heart is broken, I know our loss is heavens gain*

Blaine,

I met your Dad in 2004 when I moved an hour away from home just to get my start in Law Enforcement. I was a scared kid in a new city just hoping to make it but I will never forget that your Dad was one of the many that made that transition greater than I could've imagined. You are right though that's the first thing he called me was Ole Buddy! And his other favorite saying had to be "I can Roosta Like I usta". Truly sorry for your loss but he is truly cuttin a rug in Heaven.
