“ A very kind and funny man. Shared many hours talking about everything from food to life. You will be greatly missed by all who were lucky enough to know you. I am honored to call you my friend. R.I.P. my friend.

“ Carey, you will always be a son to me. The times we shared were enjoyed from picnics in the country, to trips to New Orleans, you the designated driver, Joelle resting in the back seat, to you making your fantastic debrie and so much more. Your smile was contagious. May Racie, Alaina, Jamie and Joelle find God's peace and comfort during this time. I find it ironic that I am right where you had just been. I wish so much I could talk to you at this time. Love, Mom Gery

“ I met him online through world of tanks game about 10-11 years ago. We hit it off as friends from the start had many battles together helping each other with missions. He will be greatly missed as a friend and a comrade in arms in the game.

“ I met Carey through Joelle while they were together. They quickly became great friends of mine. Carey always loved having me over for dinner because I always cleaned my plate/bowl and then some. He took that as he did an amazing job. We had a lot of good times during the couple years I was living there. Im very sad to hear this news and I wish his family the best throughout this extremely tough time. I've always had love for Carey, always will. Rest in peace my brother.
