“ with all due respect, carla was not my mother. she left when i was a baby and never looked back because she chose drugs over her daughter. she may have been in my brothers’ lives but she was not in mine. she had no place to “talk about me” about how “proud” of me she was. my name shouldn’t be in this obituary at all.

“ Derick, Damian, Brody, and Stephaine, words can’t express how much we will miss Carla. I want all of you to know how much she loved all of you, she was always bragging about her kids and how proud she was of you guys. She was a wonderful person with a heart bigger than anyone I knew, I am both sad she is gone and joyful that she is at peace. This all happened too fast for all of us to understand, but we know now she is resting and in a better place. The entire staff at Rick’s RV lost not only a long-time employee but a great friend.
