“ There are no words than can describe the feeling of loss. Your Husband, Brother, Father, Uncle, Godfather, Friend and wonderful person will be missed by all who came to know him. "Uncle" Charlie was a part of my whole life. He brightened any room with his smile and made many people laugh. He was a wonderful man. May your family find peace in knowing all the lives he touched and changed forever. Charlie will be deeply missed by all. Deepest symapthy to the family. Words to ponder: "The only thing you take with you when you're gone is what you leave behind." ~John Allston~ May Charlie fly high like an eagle...God grant his soul eternal rest. God Bless you all in your time of sorrow. Charlie you will be sadly missed our friend. God Bless, Salomie Dugat and Charlene Sonnier

“ I will never forget Mr. Charlie. He was a very good person to have as a friend of our family as well as being very close to me & my wife Heather. We will never forget his smile and his cc & 7 after a night working a BINGO at the American Legion Hall in Rayne. A couple of personal memories i have to carry on is that one of his favorite songs was "Mr. Charlie" by Clarence LeDay. Also, i will carry on a meal that Mr. Charlie had to make sure i was able to be in the kitchen to cook with him at the American Legion in Rayne for an Officers Meeting that he provided the meal that night. What Mr. Charlie had to share with me was his "Poor Mans Filet Mignon". Man was that a good meal. All the stories he told me about my grandmother the late Margerite Constantin & him going to school together in Roberts Cove and like he calls it "The University of Roberts Cove". Sure will miss you Mr. Charlie.

“ Was so shocked to hear of your Dad's passing. But know if he had the choice being on the church grounds preparing for Germanfest would probably be on his list.

I cherish the good times I had with him and your family. I am glad we are all still close to this day.

Our thoughts and prayers are with you during this most difficult time. If we can help in any way let us know.
