“ Chris had a quality that no one could deny. He was a good step father and much love person. His family was the glue that kept him going for so long, thank you all.

I'll never forget our time together, we shared for over 15 years.

Chris was a loved person by many, many people. I'll always remember our card nights and suppers we shared with our friends, as well as football season and the occasional game of golf he'd let me play. Thank you, Chris!, for being the social bunny you were as well as good friend to me and all. ❤️ May you rest in peace.
