“ My faith has been shaken and I am forever going to miss you. A true angel amongst us. I wish that this was just a bad dream. I will miss you and cherish the memories until we meet again. Fly high with the Angel's Chris. You touched everyone's life that you come into. Thank you for the love that you brought into mine. R.I.P

“ *This has been a devastating loss for my family. Chris was a Marine and a true patriot. He stood for tough love the most honest and pure love. He had a no nonsense attitude and was a protector for everyone in his family. He was a strong silent type and loved with all his being. He told you what you needed to hear regardless if you wanted to hear it or not. He was the strongest person I know mentally and physically. He was the picture of health. I'm completely blindsided and confused. My heart is broken for all my family and everything there going through. pray they need lots of prayers. I hope they can find peace knowing he's with Maw. She would say, " He'll always be my little boy ". Rest in peace cousin you're flying high now. Love you always and forever.*

“ Chris we had a lot of memories while in the Corps together. You were a great leader and mentor. Your time on Earth was cut short. My condolences to your family. Until Valhalla brother. Semper Fidelis.

“ Struggling to understand this. My heart is broken into a million pieces. You were loved by so many, Chris. I have to accept that God loved you most and needed you to carry out His work. I take comfort in knowing you are safe and at peace. Give Maw and Paw a big bear hug from me. We'll see you one day soon my babe. Until then, we'll "chin up and chest out". Nanny Net loves you immensely.
