“ Timmy,  
Carl & I extend our sincere and heartfelt condolences on your tremendous loss of your lifetime love. I can only imagine the void and emptiness you and your family must be experiencing. Although she is no longer in sight, rest assured that she is still alive, just in another place without pain, sorrow, or hatred. May the years of memories you've shared together be a resource of peace for you knowing death cannot take that away from you. May her soul be at eternal rest with our Lord and Savior.
