“ *My deepest condolences for your loss. Cynthia is one of my most treasured friends from high school. The Caillier and Oliver families will always hold such a special place in my heart. So many good times and memories. She was a true friend with a heart of gold, and always an inspiration to me. Her smile lit up a room. Please know that although I could not make the trip from Colorado, all of you were in my family's prayers today and we will continue to pray for your healing and strength.*

Eternal rest grant unto Cynthia. May her soul through the mercy of God rest in peace. Amen

There never was a time she didn't come in Trahan's that we didn't talk about her girls. Maddie and Morgan you have two beautiful angels watching over you. Praying for you all. Love Ms. Georgette*

“ Cynthia was our CRM, we have had numerous lunches and phone calls through out our time as colleagues. Cynthia was not only a colleague but a friend, once you met her she was a joy to know. I remember during Hurricane Delta she checked in on our bank staff daily. She will be greatly missed by all who knew her. My most heart felt condolences to the family.

“ One of the ways God blesses His people is through the relationships He grants us with dear saints like Cynthia. I’ve known her since she went to work at FNBB. She was all smiles and she was always in an encouraging spirit. She was a good banker and a great ambassador for all the wonderful folks at FNBB. I would see her at a conference and she would always say “There’s my plus one”. Dang I’ll miss that and her. Enjoy your heavenly reward my friend!

“ Ms Cynthia will be missed by all who knew her. I'm glad I was one of the lucky people that had the fortune to see her strength in action.

“ Cynthia had the biggest smile of any FNBB employee, and even though I was in the Arkansas office, I could see that smile all the way from Baton Rouge. To say it’s a sad day is an understatement. Carolyn, Lindy and I send our love and deepest sympathies. We are so very sorry.

“ I moved to Rayne in 2008 from Virginia. No one knew me and I felt a bit out of place for awhile. I taught Cynthia’s oldest daughter in 8th grade and her youngest in Kindergarten. She was always so welcoming and kind to me! She always went out of her way to say hello. My heart breaks for her daughters and all who loved her. She was a great example of genuine kindness and love for all. The community will not be the same without her.

“ My heart is broken. Ms Cynthia was more than just a member to me. She was my friend and Mentor. Seeing her almost everyday for the last 9 years at Cajun Fitness. She pulled me under her wing. She messaged me sweet text of encouragement. Saying good morning as she got her coffee for her conference calls. She was truly one of a kind. I will miss her terribly. My prayers for you all as we say our goodbyes. She is definitely a guardian angel. 🙏
