“ *I was so sorry to hear of Cyril's passing. We were very good friends when we were young, both growing up in Sunset; and we went to Cathedral High School together. We spent many good times together in those days. Though we did not see each other often after graduation, the news of his death brought so many fond memories of our youth back to mind. He will be truly missed. Kathleen and I offer our sincere condolences to his entire family. We pray for the repose of his soul and for all of you during this most difficult time. Theo Domingue*

“ I personally did not know Mr. Dodge. But, his daughter Racquel and grandkids, Dylan and Morgan will always hold a special place in my heart. Raquel started as my library clerk at Alleman Middle. And with much encouragement, she pursued her math education degree and now teaches at Alleman. Her children frequented the library through grade school. I am so sorry for your loss. Cherish any sweet memories with him because that sustains life.
