“ What can we say? Our hearts are broken. You were one of the greatest friends anyone could be blessed with and one of our angels, which we so desperately needed, these past few years. There is no way we can ever repay you and Adlia for everything the both of you did for us and how you both were always with us through a lot of good times and some very tough times. We will miss you dearly but we know that you will continue to be our "special" angel. How blessed are we to have had this special friendship for so many years and all the wonderful memories we will always cherish. Rest in peace our friend. We love you.
