“ To the Family of Danny Soileaux, my deepest sympathy goes out to you all, Ms. Helen too. Danny has been a part of my life for 18 or so years. He has been a loyal friend, listner, and the brother of my husband that he never had. Danny, Terry, myself have shared a lot of happy times together. He has always been there for me, he once took care of our animals while we were on vacation and a goldfish passed, he drove all the way to Baton Rouge to get a fish that looked like my sons, what a guy, he did not want to hurt his feelings, which Danny could never do. He is in a better place now and our Lord and saviour now has an angel that will be dedicated to the Lord. My prayers are with the family in this trying time. Danny will be deeply missed by all. He was a great friend, you were very blessed to have him in your life.

“ Danny was one of the finest individuals that I have ever known. I had the pleasure of working with him the past fifteen years...but I am more honored to call him my friend. There was not a more dependable, responsible, or accountable employee at our workplace...but what I loved about Danny more was those were also his personal traits as well...and thats how he lived his life. We can all learn something from the way he lived. I don't know one person that ever spoke an ill word of him...which says alot about a man and the way others repected him. I will miss Danny, his kind heart, his big smile, and his attitude of always doing for others. What a legacy to leave behind! Good job Danny...you were special. Gary Brewer

“ To Danny's Family ~ My deepest and sincere condolences to you and yours. I met Danny about 18 years ago through Terry Norris, my uncle. He is the brother that Terry never had. He was a great friend to all who were blessed to know him. He was funny, sincere, honest and definitely loyal to all. If you ever needed anything, Danny was always there to lend a hand. He has spent various times here in Dallas in my home with extended family and friends and was always a joy to be around. He was taken from this life way too soon. Heaven is more blessed to have him now! He is in the presence of some wonderful others who have gone before him. My thoughts and prayers will be with those who have had their lives changed by having Danny a part of it. God Bless!

“ To Danny's family; I have known and worked with Danny since February 1992. In all the years of my working life, I have never known anybody more dedicated and loyal to the company where he worked. He was a true friend and would give you the shirt off of his back.

He will be sorely missed by all that knew him. Heaven is now a better place, and God has an "assistant" who will take care of whatever He needs done.

“ Dear Family,

What a true loss? I've known Danny since 1982 when he came to my shop, The Lafayette Indoor Shooting Range and years later I ended up working with him at the Lafayette Auto Auction.

I have never in my life known anyone as dependable, nor have I had a better friend than Danny, I always knew I could depend upon him at any time, any place for any thing.

I will miss him terribly as I know all of you will as well. Who will I call upon now in my times of need?

Please accept my sincerest sympathy for your loss. He will be missed by all who knew him and loved him as I do and the numbers are many.

I don't know of anyone who was a better or truer friend than Danny and I will miss him every day.

I will keep Danny and his family in my daily prayers and thoughts. Heaven is a better place for having Danny residing there now.
