“ Having known him and Nancy since they were newlyweds, and Greg having known him since childhood,we're shocked and in disbelief that Darrell is no longer with us. Darrell was always the strong and silent type that you knew would be there for you no matter what. We expected him to be around practically forever. Our sincerest condolences and prayers go out to Nancy and her family. You are deeply missed, dear friend.

“ Johnny and family...We are so deeply saddened to learn of your dad's passing. Surely
to go home to Heaven the day before Easter brings special graces. A life well lived.
God comfort and keep all of you during this sad time. As your dad knew there is a grander life beyond and one day you will all be reunited.

*Back in 1987, Darrell hired me as Senior Franchise Counsel at Popeyes. That was my
first in-house lawyer job and it led to a successful 20+ year career as an in-house
lawyer for several other franchise companies. Darrell probably had no idea just how
instrumental he was in shaping my career - how in all of the companies after Popeyes,
I strove to be a trusted and reliable part of the team, just like Darrell was at Popeyes.
I've been practicing law for 38 years (27 since working for Darrell), and when I look
back at the "heroes" in my professional life - the people who were truly instrumental in
my career - Darrell is right there. I'm deeply sorry to hear of his passing, and my
heartfelt sympathies go out to his family. I hope knowing the wide-ranging impact
Darrell had on people in this world - people with whom he didn't have regular contact -
will help you through this difficult time.*
