“ Dear Debbie

We will all miss you very much but I know that God calls all his angels at some point in time and we never know when or why. But there is no doubt in my mind that he has a purpose for calling us up. You now have wings and you can fly and soar with Bubba and watch over us and protect us as you did here on earth now you will continue it for an eternity. Rest In Peace.

Mike and Pal,

May y'all find the peace in your heart and soul knowing that she rests in peace and that you had such a blessed life with everyday of your lives together. She gave all she had without remorse or hesitation and she waits for y'all when it comes your time. May God grant y'all peace, strength and knowledge to carry on like she would want y'all to.

You are both in our hearts and prayers.

God Bless and know that God is in control

Love you both

As her next door neighbor for many years we would hear her (as a teenager)blow the horn as she was leaving her family home. We found out later it was a signal that she and her dad had and she continued to do it even after he passed away. He and your Mom are holding you safely in their arms now, rest in peace Debbie.
