“ *I am very proud to have known her. I sat many times holding her hand. She told me I was an angel and a beautiful woman, every time I went she told me the same thing. Also she asked to watch over Tamera, I have and I will. R.I.P Maw-Maw..... that's what I called her* 💕💋🦋

“ *What a truly beautiful soul with so much love. She cared for everyone and showed her love and encouragement so freely. Her favorite hymn was Precious Lord Take My Hand. I know `He´ did "take her hand and lead her home." She knew that God had her in the palm of his hand and would bring her home. She is now one of the sweetest Angels in Heaven. She genuinely deserves her wings because she was also an Angel on earth.*
