“ Diana came into our lives when we had our second baby.
That was 42 years ago.
Diana became my babysitter and she and her family became like
family to us. She was such a loving and kind person, always a smile
on her face.
My child fell in love with her and her family..
She called Diana's husband "Honey" ! My daughter continued to go
and visit The Cary's and spend weekends with them as one would
visit a grandparent..My daughter continued to visit Diana in the
nursing home each time she was back in Louisiana. To say we will
miss her sweet smile and beautiful eyes is and under statement..
Our prayers are for her family to find peace in the memories they
hold so dear.. Our peace will come from many fond memories of
Honey and Miss Diana!
