“ *Uncle Don was a character and where I got some of mine was likely from him. I will miss him a lot. He was twin to Mom and having twins myself, the personal loss deeply resonates for me. Love you Uncle Don. I'm sorry for your loss too Aunt Dean. Praying you'll stay safe. Jerry Remick, nephew.*

“ *Aunt Dean,
We are so sorry for your loss, It is so hard to think about Uncle Don not being with us now but we know his passing was peaceful and he finally made it home. (Uncle Don, tell everybody hi!) We have always felt a closeness to both of you. The pain of loss you are feeling now will later be replaced by wonderful memories of your life together. Love and prayers to you.
Love,
Cathy and Russ*

“ I will miss his ornery streak. He kept watching on my grandpa and when he passed him and aunt Dean was gracious to take on that roll to me and my wife... we love you and will miss you...

“ Pa Don was always there for my family especially my kids. My son Matthew loved to say that he preferred Pa Don to pick him up from high school because he was always there waiting for him unlike me, his mom, who made him wait a few minutes every so often. Pa Don was a dear, sweet, kind man that will surely be missed. We love you Don and will never forget you.

Uncle Don was always a hoot! He and dad enjoyed camping together with Aunt Dean later in life. He had quite the sense of humor! Will miss him alot. Glad he is peaceful and watching over us. Rest in peace Uncle Don.
