“ *I'm so very sad to hear of Mr. Don's passing. I rememeber him from when i worked next door for Andre Douget. He used to make me laugh so much because he was ALWAYS picking on me about something. He encouraged my husband to get into the financial business! He was so supportive! My husband did and has had a very successful career in the business. Mr. Don will be missed! 😞*

“ *I am so sorry to hear of Donald's passing. I wish I would have known before today. My prayers for the family. I have so many fond memories of Donald. I spent a lot of time there with Paula. Very fond memories at their home. I will never forget the time Donald brought us frogging, I thought it was the coolest thing. Rest in peace.*

“ My dear loving family, what a blessing to have been part of our precious Don’s life. The love he shared and the love I feel from him will last throughout my life here on earth and into eternity. When I was reading to him early Sunday morning before he was ushered into the presence of our Lord, and I Timothy 2:8 said to lift hands to our Lord without doubting, Don raised his left hand up as high as he could to the heavens. My heart was overjoyed with love. I am looking forward to seeing our precious Don in Heaven. Praise be to God our Father and the Lord Jesus Christ forever and ever. Amen.

“ I will remember Don and all his good natured craziness at Deer camp. Especially the story of him dressing as a California raisin during Mardi Gra. Keeping the beat for the Angels now... RIP- Lorrie Eichholz

I have to say outside of my son, Chris, Don was the best boss I ever had. The work was serious but we had many laughing moments. You couldn't be around Don without laughing.
