“ I was deeply saddened when I learned about Donald's passing. Please accept my heartfelt sympathies for your loss. My thoughts are with you and your family during this difficult time. Donald was my high school classmate 4 years straight and a good football teammate too. I know Donald experienced a great deal of suffering since he was diagnosed with cancer. I pray that you will find comfort in knowing that he is no longer in any pain. The memory of him will always be in our hearts. James and Carol Sahuc family

“ I remember your love for sports while you were at LSD. you always had a smile that began in your eyes and spread across your face usually ending in a chuckle. You will be missed as was obvious with the recent posts of classmates visiting. May good memories of special times together help family and friends who are missing you and grieving. May God's love and grace hold them tenderly during this time.

“ *My heart aches and I smile at the same time, back in the 80's myself, Donald and Matt Heinen would ride the blvd or just park in front of the house laughing and passing a good time, Great friends that have gone to heaven, you will be missed, but great memories are left behind. My prayers of strength and comfort to the Meyer family and friends.*
