“ *My heart is saddened to hear of Doug's passing. He was a family friend whom I have not seen since high school, but remember with great fondness.*

“ *I am so sad and so sorry for the loss of Doug. I was a childhood friend from Texas. Doug and I (with our friend Donnie) lived on Inks Lake in the 60's. I always liked Doug and he was one never to start an argument. We enjoyed playing so much that when he was supposed to return to his grandma's he would set his watch back. He would tell his grandma that his watch was slow. :) We camped out, fished, swam in the lake and rode our small motorcycles on the real estate property that Donnie's dad owned. I am deeply saddened to know that he died...I know that he is sorely missed. I didn't come to know this until today July 9th 2012. May each of the family and friends be comforted through the resurrection of our Lord and our time that we who believe will also be with Him. If it is possible could someone respond to my email. Thank you, Alex*
