

Dr. James "Jim" Joseph Rumore, Sr.

July 28, 2020

Dr. James "Jim" Joseph Rumore, Sr.

Rayne, LA - Private Memorial services will be held on Saturday, August 8, 2020 for family only for Dr. James "Jim" Joseph Rumore, Sr., 67, who died Tuesday, July 28, 2020 at Lafayette General Medical Center in Lafayette, LA..

The family requests that public visitation be observed at Union Hall, 1931 E. Jeff Davis Ave., Rayne, LA 70578 on Saturday, August 8, 2020 from 10:00 am to 2:00 pm. The family is requiring a mask upon entering the hall.

Dr. Rumore, affectionately referred to as "Doc" made his home with his wife Nancy and two sons in Rayne. His mother was originally from Rayne and his cousins and uncle resided in Rayne as well. Living in New York prior to attending LSU, Doc always dreamed of living in Rayne after spending summers there.

He attended graduated from LSU in 1975 with a B.S. in Pre-Vet/ Dairy Science, the LSU School of Law in 1980 and the LSU School of Veterinary Medicine in 1981. He began practicing Veterinary Medicine with Dr. Richard James in Crowley before he opened a small satellite clinic in 1984 in Rayne. In 1986, Acadia Animal Medical Center, LLC was in operation and continues to operate to serve the community and the Acadiana area.

Doc loved entertaining the local school children with his menagerie of exotic animals that he owned. Camels, llamas, antelope were just a few of the “different” pets that lived on his farm. Ozzie and Harriet, the pair of dromedary camels were his favorite and many children were told to bring vanilla wafers and carrots to feed them.

Doc was often seen with Agnes DeRouen on “Good Morning Acadiana” discussing the care of your pets. He recommended that viewers seek regular veterinary checkups and strongly supported the local veterinarians in promoting good pet health care.

Doc enjoyed talking to his clients about food, LSU, politics, and more food. Doc knew all the restaurants. He knew what to order and recommended certain dishes to his clients.

He loved riding his motorcycles and traveled to many racetracks across the country to improve his riding skills. He loved to take long motorcycle trips across the country every August. He enjoyed fast cars and participated in many sport car driving classes. He lived on the edge and took it to the limits.

Aside from his wife and two sons, his passion was treating animals. He loved being a veterinarian. He enjoyed the friendships that he developed with his clients. Always quick with a joke or prank, Jim loved life. He lived a blessed life with no regrets.

Survived by his wife Nancy Clark Rumore, two sons, James "Jimmy" Joseph Rumore, Jr. and spouse Kasey Bruns Rumore, Dr. Christopher James Rumore and fiancé Hannah Claire Menard, one granddaughter, Blythe Katherine Rumore, one brother, Franklin Vincent Rumore and spouse Florence Elizabeth Rumore, and his pets, four cats, Shelby, Oscar, Lucy and

Monkey, two dogs, City and Nitwits.

He is preceded in death by his parents, Emanuel Rumore and Ellen Arceneaux Rumore, in laws, Blythe Clark and Martha Nell Clark.

Friends may view the obituary and guestbook online at www.gossenfuneralhome.net.

Arrangements have been entrusted to Gossen Funeral Home, Inc. of Rayne, LA, (337) 334-3141.

“ I was just going through the “Best of” magazine and am absolutely blown away By the news of Dr Rumore’s passing. We have been bringing our animals to the clinic for the last 7 years. I always enjoyed his sense of humor along with the comfort of knowing he was so knowledgeable about animals. When I asked how he handles emergencies after hours and he said “call my house” I was definitely sold on him. My deepest condolences to his family.

“ I was looking up the phone number for Acadiana Animal Med Center when I was shocked to learn about Jim's passing. We were sadly in the process of putting down our black cat Sampson who Jim gave us as a kitten. I wanted to reach out to him and now our sadness is even greater. Jim was a wonderful vet and a great friend to us in Louisiana. He solved any issue our pets had including helping me deliver kittens by c-section on Superbowl Sunday. I still have many shirts with AAMC logos and I will always remember how generous Jim was to everyone. We have never found a better vet in any other state in which we lived. I want to give Nancy and the boys our deepest sympathies during this difficult time. This is a tremendous loss for so many.

“ I am so saddened to learn of this incredible loss. Jim was a great vet, a great man and a great friend. We shared a love of animals and many of my beloved cats came from him. He took care of my pets, and had such an intuitive sense about what was bothering them. Not to mention his awesome expertise on pet care during my time on Good Morning Acadiana. I will miss his smile, his jokes and everything about him. Kelly and I want to share our condolences to the lovely Nancy and their sons. R.I.P. Jim - I will definitely miss you, my friend.

“ Doctor Rumore never dismissed my concerns about my pets. He knew they were members of my family. That they were treated like my children and loved as such.

“ *I only met Dr. Jim once, but he had the personality of a big Teddy Bear with a very generous spirit. We were at the new Tuscany Restaurant that recently opened in Rayne. He not only bought his office staff lunch, but also picked up our table's tab; I was with the Servat sisters.*

My family, the Fred Bihm's, thought the world of Dr. Jim, and we were all broken hearted when we learned of his illness and subsequent death. Our sympathy and prayers are with the Rumore family and staff as Dr. Jim rests in the arms of our Lord.

*With deepest sympathy,

“ *Our deepest sympathies to the Rumore family....what a loss. This man had the biggest heart for the pets he so tenderly treated. My white German Shepherd "Sugar" loved Doc Rumore and he loved her. He cried with us the day we had to put her down. God bless Doc, because he sure was a positive impact in the world! RIP....you will be missed.*

“ Dr. Rumore has left such an amazing legacy and impact on so many people including myself and my family. He was an amazing caregiver to our pet Katie Bell until the very end. He was a friend to my brother, the one that he could talk to and gain great wisdom from Dr. Rumore. For everything he did and was to our family and im sure many more than just ours, I honor you Dr. Rumore. May you rest peacefully in your eternal home !

“ I really didn't have much time with Jim but he left a lasting impact on me. I worked at guitar center and I had the privilege of helping him find the right guitars and I worked on his guitars. Jim was so kind and had such a positive spirit. We connected on music and just having a passion for life. He knew what he liked and never settled. I feel blessed for knowing him. I regret I never got to tell him how he made me feel like I could make a real difference being honest and trustworthy. Thank you for letting me tell this.

Jim I will miss you buddy. - Trevor.

*“ Dr. Rumore and his staff cared for our elderly Maltese dog " Sugar " while we evacuated from New Orleans after Hurricane Katrina in August / September 2005. He did not charge us for all of the care provided to her. His kindness and concern for our pet will always be remembered and deeply appreciated.
Our thoughts and prayers go out to the Rumore Family and the Staff at the Clinic.*

*“ Met Jim at LSU in Fall of 1971 as Freshmen staying in Kirby Smith Dorm with a fellow high school graduate of mine, and then in Ag classes as well! Worked with Nancy for several years in same office of Dept. of Ag. Economics at LSU as well. Jim was a great guy always enjoyed being around him! I regret not going to see him in Rayne as I have been in Opelousas for almost 26 years now!
Praying for the family and hope to attend any services for him when announced. Dr. Perry C. Hubbs*

“ *Doc has taken care of my pets for over 20 years. I had a dog that had a heart attack and large cancerous tumor that he tried to save. When he couldn't and I had to make the decision to put him down, Doc cried with me. He will be missed. My sincere condolences to the Rumore family and staff at the clinic.*

“ I will never forget the time we asked Doc to tell us what breed Daisy was. We told him we saw where there was a blood test to determine that. He replied that he had been doing this for years and could tell us. When he started, he told us all the obvious breeds that she was but, when he knew he had us focused he then replied "Chiuaua" and I turned and looked at him and said "Chiuaua?!" He got to giggling. He was wonderfully mischeivous in that way. He always had a smile when you went in. He will surely be missed by Daisy and Pat and I.

“ He was the best veterinarian ever. I was just quoting him today, I ask him if there's any kind of bones I can feed my dog and he replied, "bones B O N E S you feed your dog bones?" Doc has put three of my dogs to sleep in the past and last dog was May 26th 2020. He gave my dog a shot to relax her and she went into convulsions or a seizure and Doc freaked out and ran and got something and then came back and gave her a shot to finish her off. I just remember how freaked out he was over that and he asked me did she ever have seizures before and I said no. That was my last visit with him. I sure will miss him even though I don't have any dogs at this time. He was the most loving man to animals that I've ever seen. I am so sorry for your loss and the whole world's loss. Julie
