“ *To the Whatley Family,
My heart is sad at the loss of my long-time friend, Pudgie. We met when I was 17 and she was 27. In those early years, she had a powerful influence on my spiritual awakening. Though our contact was limited in the years she and Don were busy in ministry and I, raising my children, we maintained a special bond. The last few years have been special, reconnecting and visiting occasionally. She will always hold a special place in my heart. I pray for special comfort for all of you who feel the great loss of your mom, grandmother, mother-in-law, sister and friend. We all know how gloriously happy she is now!*

Sending lots of prayers, hugs, and love! Your mom was one in a million ~ I know she's dancing and singing in the angel's choir. She was such an inspiration to all of us in our neighborhood. God bless you all*

“ Donna, Bobby, Glen, Sherrie, my how fast the years have gone by. I still remember exercising three days a week with your Mother and Joyce. We were neighbors for a number of years before they built in the new subdivision. I would peek in on them when they were at the Ellington. I am so happy I got to speak with her before her passing. May her soul Rest In Peace . I will not be able to attend the services, but my prayers and thoughts will be with all of you at that time. I know she will be missed. I am sure she is happy to Re-unite with your Dad.

It hurts that they are both gone, and yet I rejoice in the friendship, companionship, and fun times Don and I had with Don and Pudgie as young married couples and also all that with Pudgie as young mothers rearing our children. She helped me with “The Little Red Schoolhouse”. I was so assured my babies were in loving hands, I could teach without worry. I also rejoice they are both with the Lord, and someday soon we will see them again. Our condolences to all the children with love and appreciation, Barb and Don Hoffpaur.
