“ Prayers and condolences being sent out to the family of Mr. Baday. He was such a nice man, always nice to talk to and to get some fresh shrimp with. I will always remember riding his bus, he was by far the coolest, always playing good music on the 8 track player. Great memories of a great man....he will surely be missed! May he rest in peace.....

“ Just wanted to know that I am praying that the Lord would comfort you in this time. Baday was the best bus driver ever. On the last day of school he always bought us pop and candy. Those were the days. He also has washed our house here in Rayne. I would see him in the post office occasionally and he always remembered who I was and always asked how my family was doing. He will be missed. Sorry for your loss, it is felt throughout this community.
