“ Wow, what a lucky woman I am, to have had my great grandma still around at the age of 31! My kids have been blessed to feel the love of a great great grandma, that is pretty amazing. I have so many wonderful memories of you, Mom Mom Mier, times I will cherish forever. You started many family traditions, and they will live in your name for many more years to come. Every year, when my youngest son has his birthday, we will sing you a happy birthday song as well. You almost made it to your third picture with him, for the newspaper, huh! I am relieved that you are no longer in pain, but always know that you will be missed and loved by so many people.

“ Thank you so much Mom Mom Mier for raw egg tosses at Easter, sleepovers with our cousins, eating delicious food (chocolate bread, fried chicken, spaghetti etc.) on TV trays in your living room, and for your loving heart. Although it is so hard to let you go, I am so grateful that you are no longer suffering and are with our loving Father in heaven. You are probably with Pop Pop Mier right now looking down on the wonderful family you both created. I will love you always and may you rest in peace.
