“ Mr. Gene will be sorely missed. His smile, his laughter and his stories brought so much light into this office. I looked forward to his monthly visits. He would pass by my office and sit as we talked about our dogs and our families. Mrs Sheila you are a very blessed woman to have someone with such humor and love for God and family. He adored you, his stories always seemed to end with him wiping his eyes from tears of laughter. His memory will go on. He spoke a lot of hope into my heart for things I'm battling in my own life and I pray I did the same for him. Prayers for your family during this time. Rest easy, he is now with his creator and no longer in pain. God bless you and your family!
