“ *If the world could have seen you through my eyes. They would have saw a strong independent woman who took challenges that most couldn't have accomplished not to mention you made them look much easier then I know they were. Her love and passion were her children. In my childhood days you welcomed me with such grace and Love. What a beautiful picture you have painted for me. My memories of you will never fade. May God wrap his loving arms around you now. I love you Aunt Evelyn you sure felt more like an aunt then my cousin.*
