“ *The Fair I knew was a true southern lady--soft spoken, gentle, compassionate, and incredibly strong. Life never seemed to rattle her; and her hands were always outstretched to boost any one who had a need. We studied together in an Indiana State University counseling program in the sixties. Her passing is a huge loss to our group. We will miss you, Fair. Londa Wagoner, Kentucky*

“ *Fair was the "glue" that kept corresponding with our Counseling Institute for almost 50 years. She kept us informed on how we all were doing, and she updated our addresses over the years. She was loved by all of us, and she will be sorely missed. May she rest in peace. An incredible woman who radiated warmth and kindness, she will never be forgotten!*

“ It goes without saying that we have lost and good and kind individual who means a lot to many of us. Family: Be proud, be strong and take care of each other. This is what Fair wants. Joe Cotton, Lafayette LA

“ I can remember spending many MANY weekends in Rayne, staying the night at Nanny's house. All the way back to when Mom Mom was living there. I have numerous great memories of staying with them both. Nanny was always worried about us and wanted to make sure we had food in our bellies before we headed out for whatever mischief we were about to get into. Oh the memories I will forever cherish spent in Rayne and Nanny's house was the center of it all. May God Bless you all. She was a great woman and her light will continue to shine through all of you. With much love, Kenny Foster
