ME

My thoughts and prayers are with the family. Kookie was my neighbor for 13 years on Live Oak when he mowed his yard he did half of mine. A very kind and loving person, he allowed me to pick figs at his house in the country, when I came back at my house I would find a bucket of oranges on my porch, I knew where it came from. And we worked together at Body Masters. Family keep looking to the Lord where all your help come from.
