“ We wish to send condolences to all of Mrs. Burke's family. We have known her since Tim & Guy were in elementary, and were able to share some great memories through Guy & Sherry and their family. We have some great memories of her "stories". It was always fun to hear her tell about an adventure; loved those laughing eyes and that great accent!

Blessings to all of you as you remember her life and keep her alive through the stories you will tell. Our prayers will be with you during this time.
