“ Frank and I were very good friends. He has always been someone I could trust. He was very charismatic and fun to be around. Even though I haven't seen Frank in a while I was shocked to hear of his death. Knowing how much I will miss him, I can only imagine how much more his family will miss him. My deepest sympathy goes out to you, his loved ones. I pray that God's grace be upon him and his blessings be upon all of you.
