“ Dearest Gayle, Nickki, Beth and family and friends,
I really miss our boy. I am sooo glad I got to share my life with him
from our childhood until his passing.

Jimmy and his wife and I got to visit him 2 weeks ago Friday. I so
cherish that time with he and Gayle.

Gerald was more than my friend. He was like a brother
to Jimmy and I. We spent many childhood days in the saddle, racing
tractors and listening to Frankie Lane.

Through the years we have stayed in touch. When I had cancer in
2009, he called me everyday. He laughed with me, cried with me
and prayed with me. He was a wonderful man, a Christian man and
a delightful human being.

I look forward to seeing him in heaven when we will be
reunited as brothers and sisters in Christ. We will
be perfect in spirit and in body, though I am sad he
is no longer with us physically, he is in my heart always.

He had great words of wisdom and I will miss his advice. We will
see him on the other side of the moon, and sing and worship @
Jesus's feet. Until then,
my friend, all my love.

“ *Dear Gayle and family: I will miss my "little" cousin---especially his emails. He was so faithful to calling my mom and visiting her when he could while she was alive. She loved him dearly. I remember lots of things about Gerald when he was a little boy. He and my now deceased brother, George, had lots of fun together. May God comfort you as only He can.*
