“ *Lil' Van & Sandra,
I was saddened to hear of Miss Gerry's passing. I have many fond memories of her. She welcomed me into her home twice a week for four years while I did school lessons with Lil' Van. She sat with us during the lessons and many times shared her knowledge of the subject matter. When she struggled with the math she asked me to explain it to her so she could help Van after I was gone. She was a wiz at English & Literature. Lil' Van was the diamond in her heart. She wanted the best for him. She was a special woman, always giving to others. I enjoyed my time in her home. Many days she was my therapist and when I left her home I had a new appreciation for life. I felt loved by her and I loved her. Will miss her dearly but will always have warm memories of her, Lil' Van, and Mr. Sherman. May she rest in peace, her work on earth is done.*

“ Sandra,

I just heard of Gerry's passing this morning and am so saddened by this news. She was one of my very favorite clients. Her generous and kind soul always touched my heart. I considered her my friend as well as a client. My prayers are with you and your family as you navigate through the days ahead.

“ Sandra and family

I was saddened to hear this morning of Gerry's passing. I have many fond memories of her. She was a fixture in our lives both during the many years she worked for my dad and the time of his illness. She was a comfort to my mother and I appreciate her compassion, kindness and friendship. I know she will be greatly missed.
