“ There is very few times that I don't have a childhood memory of you being in it. I love you so much. You were my second mom. You will be truly missed by all. You were taken too soon. God needed a Angel. I know you are in a better place. Prayers to all the family.

“ Memo was the best. She was always so kind, generous and loving. I'm glad I was able to spend a little time with her while down in Louisiana, I'm going to miss drinking coffee and laughing with her. My deepest condolences to Michael and Family.

“ Loved going to Memo's house when I was a kid and she baby sat me. Many weekends I spent there watching movies and playing cards for sunflower seeds with Mike, lol. Always loved this lady, and I wish I could have seen her in the last few years since I moved away. <3

“ *I have too many memories of Nanny Memo to share just one! She was an awesome, loving and wonderful woman. She is one of those people who's hugs I can remember and still feel. I have so many childhood memories of her, my grandparents and Michael. I am very fortunate that she was part of my life as an adult and that my husband and kids got to know her too and her hugs! Easters will never be the same.....*
