“ *I have always loved how uncle Greg and aunt Lisa interacted with each other. Full of love and laughter. Uncle Greg was such an amazing man. He always had a smile on his face, a hug for me and my family, a kind word, and we always enjoyed his delicious food that he brought to our get togethers. I will miss him very much. Love you uncle Greg!!*

“ *My dear sweet baby brother, You were gone before I knew it, and only God knows why. A million times I will miss you, a million times I will cry. If love alone could have saved you, you never would have died. In life I loved you dearly, in death I love you still. In my heart you hold a place, no one could ever fill. It broke my heart to lose you, but you didn't go alone, for part of me went with you, the day God took you home. We will meet again someday, I know in a better place. I thank God He made you my brother while you were here on earth! I will miss you so very much, it will not be the same without you!! I know that you are on that "little white cloud" with your precious Kate Louise, Momma, Daddy, and Michael! I know they were all there welcoming you with open arms, and happy hearts!! Please give them all hugs and kisses from me!! Rest in peace my sweet brother, I along with everyone else will see you again one day, I will love you always and you will stay in my heart forever!!*
