My brother and Godchild Gregory was a quiet man and a gentle giant! He was happiest being outdoors because of his love of nature. He and his buddies spent hours shooting in the woods. We've always been a close knit family and he loved nothing better than family get-togethers! He will be sorely missed! We are thankful for the outpouring of love and prayers from friends and family these past few weeks. Our gratitude goes out to all of you! — Helen and Carol Menard
