“ I'm sorry its taken me almost a year to post a memory;not bc I didn't want to but bc I just couldn't it's hard to do now. It just doesn't seem real for me bc I wasn't able to get to you in time to tell you how much you've always meant to me. You were the best gift I've ever had and I loved you from day one and I'll love you forever until I see you again in Heaven. Knowing you are with Gregory comforts me somehow. Love you so very much and miss you more than life,glad I've got some angels watching over me. You'll never be forgotten ❤️ ❤️ thanks for loving me and for all the memories and conversations that always made me feel better and loved always 🙏🙏😭🌀
