“ Danny, my deepest sympathies to you and your family. Gwen was instrumental in my joining the Sams staff. Always patient with my many questions. So many Sam's members stopped to share their sorrow as they passed through the exit door. I am sending prayers of comfort your way.

“ Romans 8:26. “ *Likewise the Spirit helps us in our weakness; for we do not know how to pray as we ought; but the Spirit himself intercedes for us with sighs too deep for words.*” *In this time of grief and helplessness it is comforting to know the Holy Spirit is as close as your breath to God praying for your comfort and strength. May you and your loved ones have peace in the loss of your precious one.*

“ *Dear Meche Family, I am a cousin who has fond memories of growing up near Gwen. Our encounters were mostly at her grandmother's house, my Tante Chin. But, mostly recently, I enjoyed chatting with her at Sam's. I missed her infectious smile when she retired; but knew that retirement is a good thing when you work so long. May she rest in Peace!*

Gwen was one of those people you loved to run into. You always knew there was going to be an intense robust visit with lots of smiles, and laughter. The Good Lord never made anyone more genuine than Gwen. We started St. Joe together in 1958. To Danny and the rest of your family, I am so sorry for your loss.
